C.L.F. RESEARCH

The C.L.F. Research Series represents Leo Fender's legacy for continuous innovation. These special instruments combine original concept designs with unique proprietary features that helped establish the building blocks and foundation for which all G&L guitars are made today.

Every C.L.F. Research Series model is the effort of brothers Dave and John McLaren. Their life-long passion and dedication to preserving Leo's commitment to progress and making the world's-finest musical instruments is the hallmark upon which Leo lived by.

All woods used to build our C.L.F. Research instruments are hand-selected for beauty and optimal tone characteristics. The C.L.F. Series is proudly built-in in Fullerton, California, using precision CNC technology, detailed hand-craftsmanship, and feature Leo Fender's most renowned hardware and electronic innovations.

G&L 10 YEAR LIMITED WARRANTY

G&L Musical Instruments warrants to the original owner that this instrument is free from all defects in workmanship and materials for a period of TEN (10) YEARS from the date of purchase when purchased from an authorized G&L dealer.

This expressed warranty covers normal use and excludes the following:

- Alterations or modifications to the instrument or repairs effected at a non-authorized service source
- Normal usage wear and tear (including: frets, tuning keys and plating) or damages from accessories (including straps and cords)
- Damages to the finish for any reason such as exposure to extremes in humidity and/or temperatures
- The case, strings or battery

instruments must be returned by the original owner for repair under this warranty directly to G&L. Please call G&L service at 714-897-6766, extension 156 for return authorization. A copy of the original sales receipt must be provided for warranty service. All transportation charges will be the responsibility of the original purchaser.

G&L's sole responsibility in the event of loss by fire, theft or damage to the instrument while in the custody of G&L shall be limited to replacement with a new instrument of the same or most similar available model. Excess value and shipping insurance must be carried by the owner at his own expense.
